## **Causes of the Civil War Narrative Essay**

You are to write a narrative essay of a maximum of 500 words that meets the following requirements:

1. Identify and explain 3 points of political conflict in the antebellum period (pre-Civil War period).
2. You should organize your paper in a way that flows so that you are telling a story about the political conflicts.
  - By the end of this narrative you will have shown that you can appropriately select information and outline in detail, historical events that highlight political conflict in the antebellum period.
3. Thoughtfully choose the best SPARC evidence that depict your chosen political conflicts.
4. Obtain your information from appropriate sources.
5. Properly format your papers to be in Chicago format. This includes layout, page numbers and especially footnotes and a bibliography for all of your sources. I will provide you with the necessary information from the handouts in class.
  - Use can use noodletools but double-check that the school subscription is still valid.
  - Formatting: Times New Roman font, 12 point, double-spaced.
6. You will submit your papers to Turnitin.com
